

**Information about the Esperanza Community Housing
Community Health Promoter Training Program
Space is limited! Deadline to submit application: October 31st, 2018**

What is the purpose of the Community Health Promoter training?

The Promotores have been identified as a connection between communities, medical services and social services. Promotores live in the community and are aware of the needs and challenges it faces. The training values lived experience and strives to increase the skills and knowledge of each individual.

Do I need to have prior experience?

The training values all experience; formal and informal. The candidates need to have a genuine interest in helping, serving and supporting their community. Dedicated, responsible and committed are some characteristics of a Promotor/a. It is recommended to have a basic understanding of English and Spanish as session will be held in all Spanish or all English. No interpretation will be available.

Details about the training:

- Training starts in **January 2019** and ends approximately in **July 2019**.
- Classes will be **3 days/week, 4 or 8 hours each day** (times will vary on session topics).
- Classes will be conducted in Spanish or English.
- Your group will do a community project/presentation and will require additional hours outside of class time.
